Poly limit:

20,000 Tris Total. You can do whatever you want with these, just don't get carried away and don't exceed the 20,000 Tri Limit. Remember, the limit tells you where to stop, there is no minimum, so use as much of the limit as you see fit. If 20,000 tris is too much for you, use 15,000, or 10,000. It's ok, I wont mind.

C'est dans le premier post.
